Dear Mrs Lynch

you wrote to us on 31st May to inform us that you were reviewing our previous letter and would be discussing it at your Board meeting on 6th June. Over two weeks have now passed since the date of your Board meeting and we have not yet received your response. Can you tell us when we will receive it?

I am sure you will understand why we are questioning whether the issues we have raised and the work we have undertaken in good faith are getting fair consideration. We have been extremely patient but must now insist on a comprehensive response to the points we have raised.

As mentioned in all our previous correspondence, we would like to meet with you and the Board of Governors to discuss our case for inclusion. We look forward to hearing from you.
